by Shin

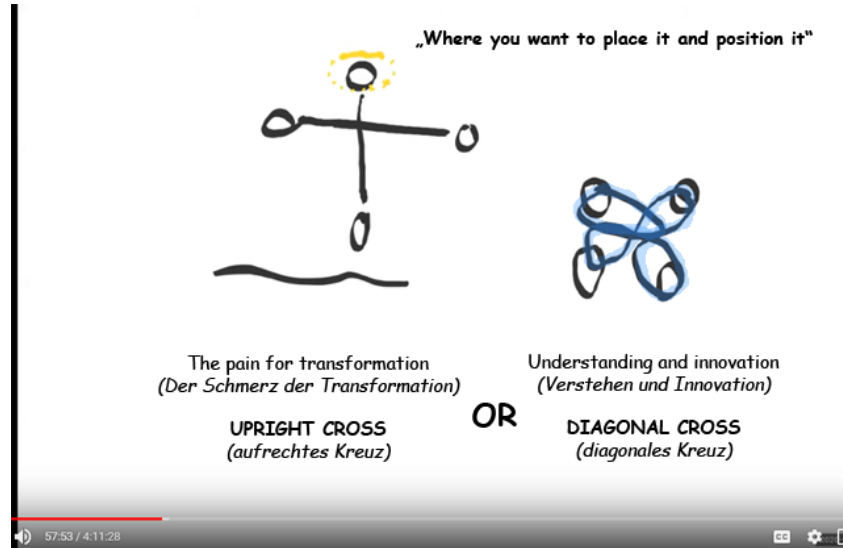

- 13': Spaceship earth – Shielding against outside energy (virus).  
a) physical protection (GaNS), or  
b) Transformation of energies (body -> Soul -> body) at 22'.  
The Soul encircles the body and protects -> 'inter-atomic fusion'  
Expansion of the Soul
- 26': The 3 cups  
How to connect the physicalities and the souls (at 31').  
We connect the soul of physicality to the soul of the man.

The Cup of Man is a reference point to connect, to give what you need.  
Physical body is weak, this results in disorder. Use the reference point.

- 34': To change a condition, you move out, change the strength of the field, go back in and take a new physical dimension in respect to the reference point.
- 37': How you do it:  
The day of judgment is in your soul. To cleanse the physicality of crimes and viruses.  
Stand in front of the 'Cup of Man'. Same orientation of Cup and of Man in front of it.  
The Cup of Man is in tune and in balance with you (at 43').
- 46': Now set the cups in the structure of your physicality (vertical), or of your death (horizontal).  
Leaving the physical body to see your physical self from outside.  
Fix it from outside.  
You carry the body within your soul now, that you never see the end, which is death that doesn't exist.--> Resurrection in physicality (at 52'), after the pain of crucifixion of physicality (by virus or other things).  
This shows the strength of the man.

- 56': Where you want to place it and position it.
- a) The pain for transformation (upright cross), or ...
  - b) Understanding and innovation (diagonal cross)

... to achieve the same

You can only give the 2 cups, the connection is up to their (others) Soul.

In the process of interacting of the 2 souls, there is the **Soul of totality**.

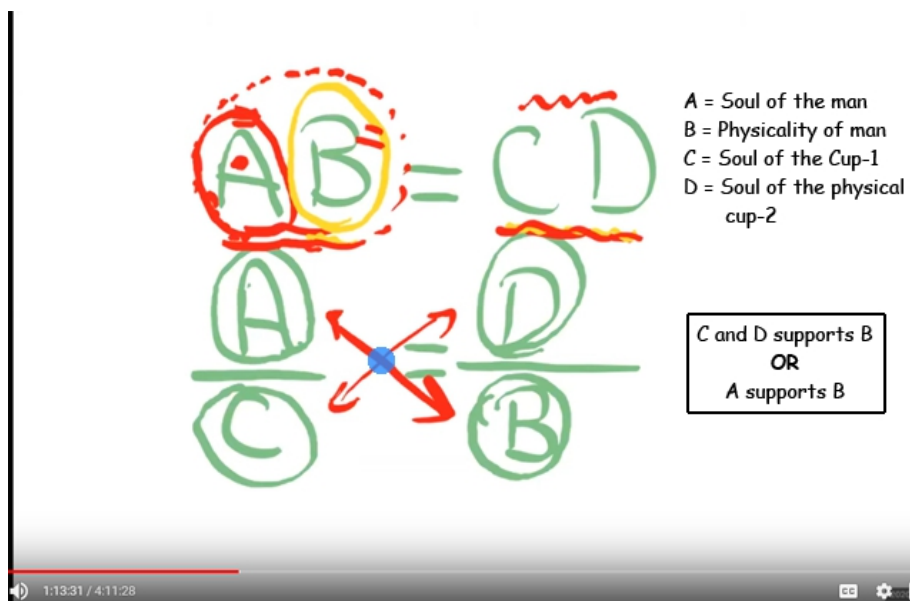

"In the neck, in the structure of the heart" is the position of this field strength (totality).

If you feel the love in heart of Man, called Solar, is still physicality.

If you feel the love of your OWN soul and the creator, you feel in the center of the soul.

1h04': Do i need to drink or to breath ....

you don't have to worry about any feeling if in the center of your Soul.

A = Soul of the man

B = Physicality of man

C = Soul of the Cup

D = Soul of the physical cup

You need to find a balance through the others.

a) C and D supports B

b) A supports B

*(Remark: I suppose 'C and D support A' is also the case, but it was not said)*

The total human soul of mankind wants to walk out of this cross of pain and suffering. And resurrect without any pain.

2 choices:

a) you can stay on the cross and go to total demise, or ...

b) collectively as a knowledge seeker walk the man off the cross

1h14': You can get off the roller coaster of physical life. Of life and death.

1h23': The elevation of soul that can lead to separation from physicality in abusive people.

Like so called "Illuminati, B.Gates, Rothschild Family, Royal Families, World leaders and those who thought to be elite of society."

"The day of judgment comes by the elevation and not by the exclusion of the physicality."

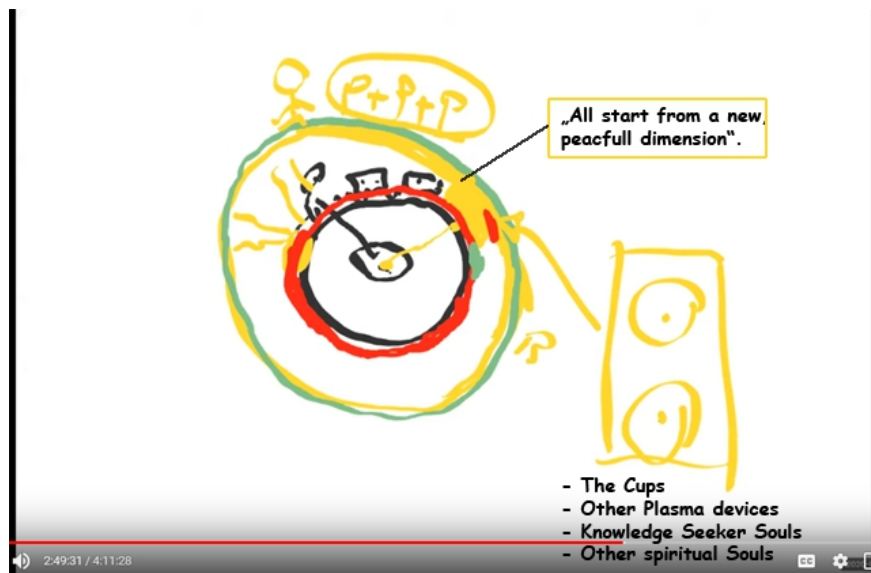

1h39': Life is easy anywhere in the universe. But no one ever, anywhere in the universe goes to work except on this planet. No one ever works to live, or has killed to survive.

The point of maturity of the souls will come through the souls, not the physicality.

1h44': Backpackers of the universe

2h39': Center mixture of planet earth. We need bring balance, a reference point.

A new level. All start from a new, peaceful dimension.

No room for Rothschild and other so called Illuminatis.

We reached this new balance point by field interactions around Jan 2018.

You can not do it over night.

3h38': The soul lives in the level of fields, there is no vibration or frequency to it.

The coupling of fields.

Posture changes with elevation of the soul.

4h: The Motor sits in the Solar. Play the game of life. Travel 1000 years and come back or to an other planet.

Travelers of light.

The Cup of Man is a transition point until you learned how to do with your own soul.
